The term "vintage guitar" became less awkward by 1985, and re-issued classics were becoming wildly popular. fender japan serial numbers - 1954 - 1963 By mid-1954, Fender began using a universal serial number sequence for all its instruments. A USA I series serial number will always have 4 or 5 digits later, but any more means that it is an imported guitar. The 'E' alone tells us the guitar was made between 1984 and 1987. Most gear has a
